need it

WeDo:

More than you expect

Whatever your IT needs are, we can help

At **WeDo: IT Services**, we help you to understand and use IT to improve your business and day-to-day workload.

We understand how frustrating it is to go through layers of technicians. That's why, with us, you get through to an expert straight away.

With over 20 years of technical experience working with a wide range of clients, our services offer an unrivalled capability for SMEs and larger enterprises to ensure your business performs at maximum efficiency.

Thinking clearly about IT, so you don't have to

WeDo: IT Services, based in Manchester, manages and supports the IT systems of UK businesses of many sizes and industries.

We work with professional services firms, based anywhere in the UK (including with overseas offices), including the following sectors:

- ✓ **Law**
- ✓ **Accounting**
- ✓ **Finance**
- ✓ **Property**
- ✓ **Recruitment**
- ✓ **Quantity Surveyors**
- ✓ **Architects**
- ✓ **Public Sector**

WeDo: IT Services

A tried-and-proven approach to IT

By really getting to know our clients, we can provide ongoing account management and strategy advice that supports their business growth.

We can integrate into your team as much as you see fit. Either way, you can pick up the phone and get straight through to an IT expert. Plus, we use automation to form a proactive approach that ensures you always stay up and running.

Our values have helped us to become a market-leading IT provider:

- **Acting with integrity:** We'll get the job done with no hidden costs and transparent T&Cs
- **Delivering quality:** We are IT people with commercial know-how, delivering the right technical solutions for your business needs
- **Realising potential:** We empower our team to deliver and grow, as our people are our power

Our sales process is easy:

1. Initial call or visit
2. Quote and proposal
3. Opportunity to ask questions
4. Sign the contract
